

THE KING STREET BREWERY

Our Micro Brewery is the beating heart of our Brew House. This integral feature of our venue is operated by our award winning master brewer Anna, and Junior Brewer Simon.

They oversee the whole brewing process on our premises which creates the wonderful varieties we have available.

Micro Brewery Tours are available so email us at info@kingstreetbrewhouse.co.uk, keep an eye out on twitter and Facebook for updates of a variety of brewery tour packages.
